GMC 5-year/100,000-mile 24/7 Roadside Assistance²

GMC 5-year/100,000-mile Courtesy Transportation²

Covered for 5 years/100,000 miles²

GMC will warrant each 2007 through 2011 model year GMC passenger car, light duty truck or van for 5 years or 100,000 miles/160,000 kms. with no deductible, whichever comes first, from the original in-service date of the vehicle, for warrantable repairs which are required as a result of defects due to material and/or workmanship to the Powertrain components as listed below:

Engine

Cylinder head, block, timing gears, timing chain, timing cover, oil pump/oil pump housing, OHC carriers, valve covers, oil pan, seals, gaskets, turbocharger, supercharger and all internal lubricated parts as well as manifolds, flywheel, water pump, harmonic balancer and engine mount. Timing belts are covered until the first scheduled maintenance interval.

Transmission/Transaxle/Transfer Case

Case, all internal lubricated parts, torque converter, transfer case, transmission/transaxle mounts, seals, and gaskets.

Drive Systems

Final drive housing, all internal lubricated parts, axle shafts and bearings, constant velocity joints, axle housing, propeller shafts, universal joints, wheel bearings, locking hubs, front differential actuator, supports, front and rear hub bearings, seals and gaskets.

Courtesy Transportation Program

During the warranty coverage period, this GMC program provides alternate transportation and/or reimbursement of certain transportation expenses under the Courtesy Transportation Program if your vehicle requires warranty repairs. Several transportation options are available. Refer to your Owner Manual for details, including reservation of rights, or consult your dealer.

Roadside Assistance Program

GMC is proud to offer the response, security, and convenience of the 24-hour Roadside Assistance Program for a period of 5 years or 100,000 miles/160,000 kms., whichever comes first. Refer to your Owner Manual for details, or consult your dealer/retailer. The Roadside Assistance contact information is listed in the Customer Assistance Offices section of the Warranty and Owner Assistance Information booklet.

What Is Not Covered

All the above items are not covered for damage due to accident, misuse, alteration, insufficient or improper maintenance, contaminated or poor quality fuel. For complete details refer to your Warranty and Owner Assistance Information booklet.

This is a supplement to the express conditions and warranties described in the Warranty and Owner Assistance Information booklet. Other coverages are not extended or altered due to this supplement.

Covered for 3 years/36,000 miles²

GMC backs your new vehicle with its no-deductible, Bumper-to-Bumper Limited Warranty. The entire vehicle is warranted for repairs, including parts and labor, to correct problems in materials or workmanship, for 3 years or 36,000 miles, whichever comes first (except normal maintenance). The warranty covers towing to the nearest GMC dealership, and there is no deductible for warranty repairs during the warranty period. The warranty transfers automatically with vehicle ownership during the warranty period.

Covered for 6 years/100,000 miles²

Corrosion Protection

GMC vehicles are designed and built to resist corrosion. All body and sheet metal components are warranted against rust-through corrosion for 6 years or 100,000 miles, whichever comes first. Application of additional rust-inhibiting materials is not required under the corrosion coverage and none is recommended. See your GMC dealer for terms of this limited warranty.

An Important Note about Alterations and Warranties

Installations or alterations to the original equipment vehicle (or chassis) as distributed by General Motors are not covered by the General Motors New Vehicle Limited Warranty. The special body company, assembler, equipment installer, or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems, or assemblies installed by GM. General Motors is not responsible for the safety or quality of design features, materials, or workmanship of any alterations by such suppliers.

What is the GMC 5-year/100,000-mile Powertrain Warranty?

All 2007 through 2011 passenger cars and light duty trucks are covered. The Powertrain Limited Warranty is 100,000 miles or 5 years (whichever comes first). It is fully transferable and there are no fees and no deductibles. The Roadside Assistance and Courtesy Transportation programs are also 100,000 miles or 5 years (whichever comes first). For more details, please visit your GMC dealer or click [here](#) for details.

How is the bumper-to-bumper warranty affected by this 5-year/100,000-mile warranty?

The Bumper-to-Bumper New Vehicle Limited Warranty on new GMC cars remains in effect for 3 years or 36,000 miles (whichever comes first). For more details, please visit your GMC dealer or click [here](#).

Why has GM elected to make this change?

This move is intended to provide you with an unprecedented level of value, confidence, and protection. As a result, GM is elevating your total vehicle ownership experience with the most comprehensive consumer confidence package in the industry.

What about Courtesy Transportation?

Courtesy Transportation is also included for 5 years/100,000 miles² (whichever comes first) on all 2007 through 2011 GMC passenger cars

Whenever warranty repairs are required, several transportation options and/or reimbursement of certain transportation expenses are available for your convenience at participating dealer.

What does the bumper-to-bumper warranty cover?

The bumper-to-bumper New Vehicle Limited Warranty covers vehicles registered in the U.S. and Canada from the date the vehicle is first delivered until it reaches 3 years or 36,000 miles (whichever occurs first). It covers the vehicle from bumper to bumper on any vehicle defect related to materials or workmanship. For further details, look in the Owner Manual under "What Is Covered" and "What Is Not Covered."

Is my vehicle covered from rust, too?

GMC vehicles are designed and built to resist corrosion. All body and sheet metal components are warranted against rust-through corrosion for 6 years/100,000 miles (whichever comes first). Application of additional rust-inhibiting materials is neither necessary nor required under the Sheet Metal Coverage. GMC makes no recommendations concerning the usefulness or value of such products. Application of after-manufacture rustproofing products may create an environment which reduces the corrosion resistance built into your vehicle. Repairs to correct damage caused by such applications are not covered under your New Vehicle Limited Warranty. See your GMC dealer for terms of this limited warranty.

Do I have to go the GMC dealer where I purchased my vehicle to have this type of work performed?

While most customers prefer to have this type of work performed at their selling dealer, it can be performed at any GMC dealership.

Can I take my GMC to any GM dealership for warranty repairs?

These repairs must be performed by an Authorized GMC dealer, except in an emergency situation when a covered part or a GMC dealer is not reasonably available to the vehicle owner. It's in your best interest to take your GMC vehicle to a GMC dealer for all repairs since they are the most knowledgeable about the particulars of your vehicle.
