

FUEL INDUCTION SERVICE

Using specialized equipment, our technicians will quickly and effectively clean fuel injectors, intake manifold, ports, intake valves and combustion chamber. This service will restore lost power and performance and will reduce harmful exhaust emissions.

\$144.95*

DIESEL FUEL SYSTEM CLEAN-UP

Addresses the needs of these specialized Power plants by restoring lost performance and preventing costly repairs. This service will reduce overall maintenance costs, while ensuring long, productive lives for diesel engines.

\$179.95*

Replace Diesel Fuel Filter

\$149.95*

POWER STEERING FLUSH

Our technicians use a powerful cleaner to dissolve gum and varnish in your car's power steering unit. Next we will flush old, worn-out, contaminated fluid and install fresh new fluid fortified with special anti-oxidant and anti-wear ingredients to prevent expensive mechanical failure.

\$129.95*

TRANSMISSION FLUSH SERVICE

Using the latest in state-of-the-art technology, we will install a safe and effective cleaner to suspend harmful varnish and sludge from the transmission valve. Then we will flush out all the old fluid and install new high-tech fluid with conditioners.

\$169.95*

Dex 6 \$269.95*

ENGINE FLUSH SERVICE

Install and circulate a powerful cleaner to remove damaging sludge and deposits from your lubrication system. Install a high quality oil and a conditioner to prevent oxidation and reduce friction and wear. Perform lube, oil, filter service.

\$147.95*

DRIVELINE MAINTENANCE

The component that links your vehicle's engine to the wheels is called the driveline. The driveline transfers energy from the engine to "where the rubber meets the road." Utilizing state-of-the-art equipment, our technicians will remove all of the old oxidized fluid and replace it with up to three quarts of BG Ultra Guard Synthetic Gear Lube.

Manual Transmission

\$79.95*

Transfer Case

\$69.95*

Front Differential

\$82.95*

Rear Differential

\$82.95*

Limited Slip Differential

\$96.95*

Both diffs and transfer case

\$235.95*

package with limited slip

COOLING SYSTEM SERVICE

Flush cooling system, pressure test, check hoses, cap and check connection. Install BG Cooling System Corrosion Control Kit.

Car \$136.95*

Truck \$166.95*

Note: Conventional coolant slightly less

MINOR AIR CONDITIONING SERVICE

Visually inspect all fittings and hoses. Disinfect and deodorize A/C system. Install Frigi-Quiet oil to quiet compressor and reduce wear. (Refrigerant extra.)

\$69.95*

BATTERY SERVICE

This service will safely and quickly remove accumulated corrosion deposits from battery terminals and cables. We also install anticorrosion pads to prevent future deposit formation.

\$39.95*

* Prices do not include tax. Some models may be slightly higher. Prices do not include environmental fees and/or shop supplies. Prices subject to change without notice.

MAINTENANCE SERVICE PROGRAM

SERVICE HOURS

Monday - Friday

7:30am - 6:00pm

Phone: 1-877-538-2438

EVERY 3,000 MILES

(Also due @ 9,000/21,000/27,000/33,000/39,000
51,000/57,000/63,000/69,000/81,000/87,000 miles)

- Change engine oil and filter
- Lubricate chassis
- Install motor oil conditioner
- Install fuel conditioner

EVERY 6,000 MILES

(Also due @ 12,000/42,000
66,000/78,000/84,000 miles)

- Change engine oil and filter
- Lubricate chassis
- Install motor oil conditioner
- Install fuel conditioner
- Rotate tires

EVERY 15,000 MILES

(Also due @ 45,000/75,000 miles)

- Change engine oil and filter
- Flush engine oil system and install conditioner
- Lubricate chassis
- Fuel Induction service
- Check air filter (add for element)
- Service battery and install anticorrosion pads
- Clean and adjust brakes as needed

EVERY 18,000 MILES

(Also due @ 36,000/54,000 miles)

- Change engine oil and filter
- Lubricate chassis
- Install motor oil conditioner
- Install fuel conditioner

EVERY 24,000 MILES

(Also due @ 48,000/72,000/96,000 miles)

- Change engine oil and filter
- Lubricate chassis
- Install motor oil conditioner
- Install fuel conditioner
- Flush power steering system
- Front end wheel alignment service
- Rotate and balance tires
- Minor A/C system service
- Brake flush service

EVERY 30,000 MILES

(Also due @ 60,000/90,000 miles)

- Change engine oil and filter
- Flush engine oil system, install conditioner
- Lubricate chassis
