## How Clean is Your Air?

### Cabin Air Filter Replacement

Change your cabin air filter every 10,000-15,000 miles

New Are you breathing that?

You may not know it, but the only thing standing between you and the great outdoors is an 8.5 inch square filter located just behind the glove box. It protects you and your passengers from debris that can blow through your vent system. Changing this filter is especially important for those sensitive to dust, pollen and other allergens.

### \$59.99 plus tax

Valid only at Putnam Toyota. Toyotas only. May not be combined with any other offer. Must present coupon when service order is written. Cannot be used on previous service visits. Expires 05/31/12.
